

REAY HOUSE LIBRARY

KNOWLEDGE SERVICES

Supporting education, research and clinical practice

Reay House Library provides services to staff and students at SLaM.

Collections

The library stocks a large collection of print and audio-visual materials which are available for loan. The collection is particularly strong in the areas of mental health, health education and research, leadership and management. Search our catalogue here::

eResources

Through NICE Evidence Services (www.evidence.nhs.uk), library users have access to databases including AMED, CINAHL, Medline and PsycInfo. Access is through NHS Athens so visit <https://openathens.nice.org.uk/> to apply for your account. This will also give you access to a vast collection of electronic books and journals on health and social care as well as apps including BNF, BNF for Children, NICE Guidance and DynaMed. For more information about our eResources, see here:
